LEGEND

CITY BOUNDARY

Letter symbols on faults denote source

symbol	name	source
B	T.L. BAILEY	Unpublished mapping
C	DIVISION OF OIL & GAS	California Oil Fields, Vol. II
D	T.W. DIBBLEE	Calif. Div. of Mines & Geol., Bul. 186
G	GEOTECHNICAL CONSULTANTS	Geotechnical Investigation Wastewater Treatment Plant City of S.B.
M	K.S. MUIR	USGS Water Supply Paper 1859-A
S	EIR	City College Master Plan
U	J.E. UPSON	USGS Water Supply Paper 1108
L	H.M. LIAN	Calif. Div. of Mines & Geol., Bul. 170
(A)	faults believed to be active at the present time	
(PA)	faults, possible activity inferred without direct evidence	

II FAULTS

(6.9/6.6) maximum possible/maximum probable magnitude of an earthquake caused by movement on the fault

FAULTS	
	concealed
	inferred
	inferred thrust
	inferred from subsurface data
